**ANNOUNCEMENT.**  
This page draws attention to firms  
in a variety of enterprises who ap-  
preciate the patronage of union men  
and their friends and are willing to  
co-operate with them in supporting  
their institutions. It is but just to  
give them a fair share of your patron-  
age. In doing so you will also  
do yourself and your paper a good  
turn if you tell them you appreciate  
their co-operation. They are all  
well known, thoroughly established  
and reliable, and their integrity and  
square dealing in trade is unques-  
tioned.  
Good, square legitimate business  
dealing in the buying and selling of  
both merchandise and labor, is what  
labor organizations ask, and all that  
any business man should ask. We  
have aimed to secure only the cards  
of business men who believe in and  
practice such a policy, for this, as  
well as the other pages and think  
those here represented will measure  
up to the standard.
